

Techy Fort Wayne - Cell Phone & Computer Repair Service

Located in Fort Wayne, IN, Techy offers expert repair services for phones, computers, and game consoles. Our experienced technicians handle issues such as cracked screens, battery replacements, water damage, HDMI Ports, charging ports, and board-level repairs. We provide free diagnostics for a precise assessment of your device's needs. Prioritizing speed and efficiency, we aim for same-day repairs, often completing most phone repairs in an hour. Our phone unlocking services enable compatibility with multiple carriers, allowing you to switch providers effortlessly. Additionally, we carry a selection of accessories, including protective cases and premium chargers, to enhance your device's performance and style
